NCTS-NTUH-NVIDIA (N³) Joint Workshop on Medical AI

2019
OCTOBER
11
10:00-15:30

Room 440
Astro-Mathematics Building
National Taiwan University

Aim and Scope

We invite researchers from National Taiwan University, National Taiwan University Hospital, and NVIDIA to exchange ideas for developing advanced medical AI technologies. This workshop is a part of the series of events by the Medical AI Research Collaboration Hub (MARCH, http://march.events).

Workshop Website
http://tiny.cc/depxcz

Speakers

Junting Chen (NTU)
Cheyu Hsu (NTUH)
Wen-Jeng Lee (NTUH)
Holger Roth (NVIDIA, USA)
Tsung-Ming Tai (NVIDIA, Taiwan)
Qingyi Tao (NVIDIA, Singapore)
Chiu-Wang Tseng (NVIDIA, Taiwan)
Pochuan Wang (NTU)
Tinghui Wu (NTU)
Daguang Xu (NVIDIA, USA)

Organizers

Anthony Costa (Icahn School of Medicine at Mount Sinai)
Cheyu Hsu (National Taiwan University Hospital)
Wei-Chih Liao (National Taiwan University Hospital)
Eric Oermann (Icahn School of Medicine at Mount Sinai)
Weichung Wang (National Taiwan University)

Sponsors

NCTS
National Center for Theoretical Sciences
Mathematics Division

Icahn School of Medicine at Mount Sinai

Co-Sponsors

NVIDIA.
