

2022 Fourth NCTS PDE Symposium

Date/

August 31, 2022

Venue/

Lecture Room B, 4th Floor,
The 3rd General Building, NTHU

Aim & Scope

This is the fourth NCTS PDE symposium. We aim to bring experts and young researchers in PDEs and related disciplines together to introduce their current works and explore new ideas. We expect by joining this series of symposium, our researchers can have chances to talk to each other often to inspire each other.
