

# 2023 Spring Probability Workshop

Time

**May 5 ~ 6, 2023**

Venue

Room 515, Cosmology Building  
in National Taiwan University

## Aim & Scope

The Spring Probability Workshop, organized annually since 2016, brings together leading experts and promising junior researchers working in probability theory, stochastic analysis and their applications. This workshop aims at creating opportunities for exchanging ideas and future collaborations, and enhancing international visibility of Taiwan Probability Group.
